FACILITATING YOUR SUCCESSFULL
ENTRANCE IN THE **CHILEAN MARKET**

Inter Partners E.I.R.L. is a Chilean consulting firm specialized in international business development with the main core of its expertise aimed at facilitating the internationalization of Canadian businesses in Chile. Inter Partners' main focus is on incorporation process, start-up phase, back-office services, in addition to administrative support. Inter Partners was founded in 2010 by Fabiola Galaz, a Chilean-Canadian professional, who during her 10 years in Canada worked as a *Corfo Representative promoting Chile as an investment platform. Fabiola gained full understanding of the business relationship between Canada and Chile during her five years strengthening the collaboration between the two countries. Inter Partners has supported 18 organizations and companies to this date.
